- In the online job application form, you will have two different ways of filling out the application. The first one is at the top with automatically filling your LinkedIn information for the job application, which you can do by clicking on the “Apply With LinkedIn” button. This uses whatever information that you entered on your LinkedIn page and fills it in the application. The second one is filling out each text box with the information that the application asks for. Fill out whichever you find most convenient. The blue circle highlights the “Apply With LinkedIn” to Autofill your information for the application while the yellow box highlights the text boxes that you can use to enter your information manually.
